

# JAYS

## JAYS TECH SPEC

### LINE UP: 8 piece band

4 vocals, 2 keyboards, 1 electric guitar, bass & drums

Please provide 4 vocal mics - one for Keys 2 and three for backing vocals

Keys 1 - DI, left and right

Key 2 - DI, left and right

Electric guitar - DI from effects board

Bass through amp - please provide DI

Drums - full kit preferably to be fully mic'd

For monitoring, we aim for a low level, balanced on stage sound so generally the more monitors the better as they can be kept at a lower level and balanced for each musician.

### LINE UP: 6 piece band

4 vocals, 2 keyboards, 1 electric guitar

Please provide 4 vocal mics - one for Keys 2 and three for backing vocals

Keys 1 - DI, left and right

Key 2 - DI, left and right

Electric guitar - DI from effects board

For monitoring, we aim for a low level, balanced on stage sound so generally the more monitors the better as they can be kept at a lower level and balanced for each musician.

### LINE UP: Duo

1 vocal, keyboard, electric guitar

1 vocal mic for keyboard player

Keys - DI, left and right

Electric guitar - DI from effects board

Preferably 2 monitors but we can share one on smaller stages.
